## Died

ALLISBAUGH —John Allisbaugh, Oct. 29, 1901, aged 67 years, 9 months, and 6 days. He was born in Switzerland, and lived with his parents in his native land until the fall of the year 1858 when with his brother he came to seek a home on the New England shore. While in New York City they became separated and never met each other again. In 1860 he came to Ohio and settled near Dayton. March 17, 1861 he united in marriage with Miss Rebecca Horning. To this union were born five daughters and five sons, two sons and one daughter having preceded him to the Spirit land. Thru the influence of his wife he became a member of the German Baptist church; later he with his wife united with the Brethren church at North Manchester, Indiana, where he remained a consistent member until the day of his death. In his departure the family sustains a great loss, and he will also be missed in the community and in the church. His monitions to his family were to attend church and Sunday school when it was possible for them to do so. His education was in German, consequently could not become interested in English services as he otherwise would have been. His standing in the community is evidenced by the very large attendance at the funeral services which were held at the Fairview church. Interment near by. The services were conducted by the following ministers: Scripture lesson, Rev. Wood; prayer, Rev. Jordan; obituary, Rev. Wright; sermon, Wm W Summers from the theme, "I have finished the work thou gavest me to do."

WM. W. SUMMERS.

WELLER —At No. 110 I St., Johnstown, Pa., on Nov. 10, 1901, Paul Emerson Weller, infant son of brother and sister H. S. Weller, passed away to be with Jesus. The funeral services were held at the home and were conducted by the writer assisted by Elder France of Ohio, and interment was made in Decker's Cemetery. The sympathies of the church go out to Brother and Sister Weller in their great loss. May the promises of the Word lie very precious to them until they meet the one they have lost over on the other shore. E. E. HASKINS.

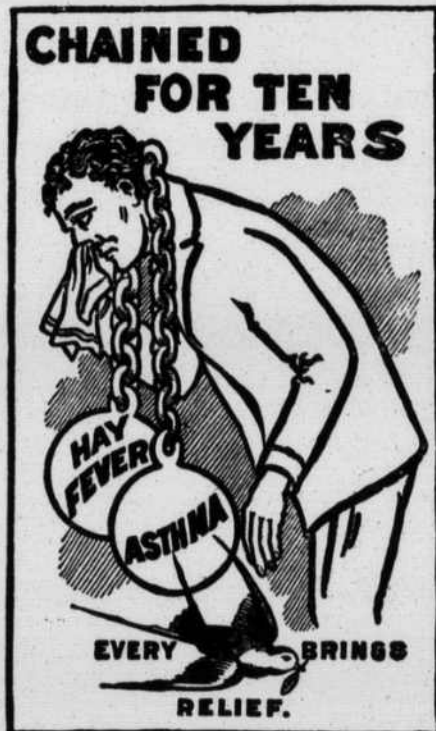

### Elements of Strength in Our Y. P. S.

The young people's societies should stand for the ever-present Christ. We do not look down the avenue of the past for nineteen hundred years and see the colossal, historic Christ, the sphinx, the riddle of ages, but the friend, the companion, the guide who leads the hosts of believers. The societies should be full of life. Life is the strongest thing in the world and is ever in conflict with death and will come off victorious. We have too many dead churches. Life gives respect. No one ever makes fun of a live, wideawake organization. If you wish the world to respect your church make it tingle with life. The societies should organize and drill for service as drilled troops always make the most efficient soldiers. West Point graduates were in command at the close of the Civil War, and so we should be drilled in the Master's service.—C. M. Alford.

There is nothing like Asthmalene. It brings instant relief, even in the worst cases. It cures when all else fails.

The Rev. C. F. Wells, of Villa Ridge, Ill., says: "Your trial bottle of Asthmalene received in good condition. I cannot tell you how thankful I feel for the good derived from it. I was a slave, chained with putrid sore throat and Asthma for ten years. I despaired of ever being cured. I saw your advertisement for the cure of this dreadful and tormenting disease, Asthma, and thought you had overspoken yourselves, but resolved to give it a trial. To my astonishment, the trial acted like a charm. Send me a full-size bottle."

Rev. Dr. Morris Wechsler, Rabbi of the Cong. Bnai Israel. NEW YORK, Jan. 3, 1901.

Dr. Taft Bros. Medicine Co.,

Gentlemen: Your Asthmalene is an excellent remedy for Asthma and Hay Fever, and its composition alleviates all troubles which combine with Asthma. Its success is astonishing and wonderful.

Gentlemen: I write this testimonial from a sense of duty, having tested the wonderful effect of your Asthmalene, for the cure of Asthma. My wife has been afflicted with Spasmodic Asthma for the past 12 years. Having exhausted my own skill as well as many others, I chanced to see your sign upon your windows on 130th street, New York. I at once obtained a bottle of Asthmalene. My wife commenced taking it about the first of November. I very soon noticed a radical improvement. After using one bottle her Asthma has disappeared and she is entirely free from all symptoms. I feel that I can consistently recommend the medicine to all who are afflicted with this distressing disease.

Yours respectfully,

O. D. PHELPS, M. D.

Dr. Taft Bros. Medicine Co.

Gentlemen: I was troubled with Asthma for 22 years. I have tried numerous remedies, but they have all failed. I ran across your advertisement and started with a trial bottle. I found relief at once. I have since purchased your full-size bottle, and I am ever grateful. I have a family of four children, and for six years was unable to work. I am now in the best of health and am doing business every day. This testimony you can make such use of as you see fit.
